

Mary or Martha Power?

These stories must be uplifting. Remind us of the humanity of those you help and tell us what lessons you have learned.

- Up to 1000 words per story.
- Use Microsoft Word or Google Docs.
- Email info@nitablack.com for your story to be considered.
- Include your contact info - name, phone, email.
- You will receive a response within 24 hours of time submitted.

Even if we do not choose your story for a book, (we have limited space!) please consider this exercise as an act of praise. It is your very own Mary AND Martha moment.

Please share your story with others. You just don't know who may need to hear your heart's song.

Respectfully, and in His Name,

Nita Black
